North Dakota Delegate Selection Plan For the 2024 Democratic National Convention

Section I Introduction & Description of Delegate Selection Process

A. Introduction

1. North Dakota has a total of 17 delegates and 2 alternates. *(Call I & Appendix B)*
2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Delegate Selection Rules for the 2024 Democratic National Convention* (“Rules”), the *Call for the 2024 Democratic National Convention* (“Call”), the *Regulations of the Rules and Bylaws Committee for the 2024 Democratic National Convention* (“Regs.”), the rules of the Democratic Party of State, the state election code, and this Delegate Selection Plan. *(Call II.A)*
3. Following the state Party Committee’s adoption of this Delegate Selection Plan, the state Party shall submit the Plan for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The state Party Chair shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the state Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. *(Reg. 2.5, Reg. 2.6 & Reg. 2.7)*
4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the state Party must be submitted to and approved by the RBC before it becomes effective. *(Reg. 2.9)*

B. Description of Delegate Selection Process

1. North Dakota will use a proportional representation system based on the results of the Party-Run Primary for apportioning delegates to the 2024 Democratic National Convention.
2. The “first determining step” of State’s delegate selection process will occur on April 6th, 2024, with a Party-Run Primary

North Dakota 2024 Delegate Selection Plan

C. Voter Participation

1. Participation in state's delegate selection process is open to all voters who wish to participate as Democrats. *(Rule 2.A and Rule 2.C.)*
 - a. North Dakota does not have party or voter registration, because of this there is not a requirement to participate in the Party-Run Primary.
 - b. Participants in the Party-Run Primary will fill out a form declaring they are a Democrat.
 - c. To encourage participation by youth in the delegate selection process, any individual who will have turned 18 by the date of the general election will be allowed to participate in the delegate selection process. *(Reg. 4.3.C)*
 - d. At no stage of North Dakota's delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. *(Rule 2.D & Reg. 4.4)*
 - e. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. *(Rule 2.E)*
 - f. Votes shall not be taken by secret ballot at any stage of the delegate selection process, including processes leading up to the selection of DNC Members or State Chairs or Vice Chairs, who serve as DNC members by virtue of their office, except that use of such voting by secret ballot may be used in a process that is the first determining stage of the delegate selection process and in which all individual voters who wish to participate as Democrats are eligible to do so. *(Rule 2.F)*
 - g. No person shall vote in more than one (1) meeting which is the first meeting in the delegate selection process. *(Rule 3.E & Reg. 4.7)*
 - i. North Dakota will offer a Party-Ran Primary with a majority of ballots being distributed and remit through a registration and mail in voting. On Friday April 5th and Saturday April 6th, 2024 polls will be open at selected locations for in person voting. The times and locations of each polling site will be advertised by the North Dakota Democratic-NPL through press releases, e-mail blasts and media. Polling sites will be staffed with volunteers and representatives from our Vendor, to ensure a smooth and orderly process. Each eligible voter will be required to sign in, after which they will receive a paper ballot, designed and printed by an in-state union labor printer, to notate their Presidential Preference along with a signed pledge of support for the Democratic Ticket. All ballots will then be placed in a secure lockbox, at which point a representative or polling site captain will sign for the lockbox and then transport those ballots to a tabulation site in Fargo, where a vendor representative will sign a receipt of delivery. Tabulation machines will be located in

North Dakota 2024 Delegate Selection Plan

Fargo, where roughly 65 percent of votes are estimated to come from (between mail-in and in-person voting). A complete list of polling locations can be found in the Section X of the Delegate Selection Plan.

- j. North Dakota's Party-Run Primary will include Ranked Choice Voting
 - i. At the conclusion of the Party-run Presidential Primary, the presidential preference rankings will be compiled by congressional district and statewide results then distributed according to participant's first-choice ranking.
 - ii. If any candidate on the ballot has officially ended their candidacy at the time of the count, their second-choice will be tallied. If their second-choice preference is also invalid for the same reason, their third-choice will be tallied. If their third-choice preference is also invalid for the same reason, their fourth-choice will be tallied. If their fourth-choice preference is also invalid for the same reason, their fifth-choice will be tallied.
 - iii. If any preference group has not met the viability threshold, then the candidate with the lowest rank will be eliminated, and the rankings of each participant in that group will be redistributed to their second-choice preference group. The preference group that is redistributed according to this rule is prohibited from receiving support on future rounds of distribution.
 - iv. After the first redistribution, preference group rankings will be recounted. If there remain any non-viable groups, the group with the lowest rank will be redistributed to participant's next-choice ranking that has not been eliminated. This will continue until such time as only viable groups remain.
 - v. When only viable groups remain, all the ballots will be tallied by congressional district level and statewide results for each candidate.
 - vi. The viability threshold for a presidential preference group must be 15% of the total Party-run Presidential Primary participants by Congressional District. If no candidate reaches the 15% threshold, the threshold will be half the percentage of the vote received by the front-runner.
 - vii. The district and statewide count will be transmitted to the State Chair who will announce the results of the election.

North Dakota 2024 Delegate Selection Plan

2. *Voter Protection and Election Security*

- a. Although the State of North Dakota does not have voter registration nor party registration, the North Dakota Democratic-NPL has remained proactive in identifying our supporters and ensuring that their information and scoring is accurately reflected in Vote Builder so that we can adequately engage with those potential voters via mail, social media, phone banking and our field program; *(Rule 2.H.1)*
- b. While the State of North Dakota does not have voter registration, the North Dakota Democratic-NPL has been committed to maintaining accurate lists as well as keeping track of active and inactive voters across the state, through our Data Team and our contact with the Secretary of State's office, as well as County Auditors throughout the State of North Dakota and the State Director of Elections. The Democratic-NPL has also dedicated our efforts to ensure that every eligible voter in the State of North Dakota is able to cast a ballot without hindrance or undue burden; *(Rule 2.H.2)*

The North Dakota Democratic-NPL has actively lobbied for, and promoted the acquisition, maintenance, and regular replacement of voting systems across the state, particularly in regard to Federal Funds allocated from the Federal Election Assistance Commission for that specific purpose; *(Rule 2.H.3)*

- e. The North Dakota Democratic-NPL maintains regular contact with County Auditors and the Secretary of State's office after an election to ensure that electronic records correlate with paper records, and that the will of North Dakotan voters are accurately reflected in the results; *(Rule 2.H.5)*
- f. Though officials in North Dakota have expressed confidence in the security measures in place, the North Dakota Democratic-NPL has strongly advocated for strengthened protocols and systems to protect the private information and vote of every North Dakotan, and will continue to do so; *(Rule 2.H.6)*
- g. The North Dakota Democratic-NPL remains committed to, and continues to push for, the use accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately; *(Rule 2.H.)*
- h. To ensure security and neutrality, a Vendor with support from the State Party shall be responsible for the handling and tabulation of all paper ballots, as well as the operating of tabulation machines and configuration of software to ensure compatibility with all ballots. There are two software processes that will be used during the election; Registration to ensure each voter only votes once and Scanning/Tabulation to scan the ballots and tabulate the results as well as keeping a .jpeg image of each ballot in addition to the physical copy for auditing purposes.

North Dakota 2024 Delegate Selection Plan

During the course of the election, all election materials must be accounted for, including all ballots printed, mailed, voided and unused. Only authorized personnel will be allowed to handle the voting materials and equipment. Once the mail ballot portion of the election is complete, the returned ballots will be processed and secured but not tabulated until after the in-person voting day. On the voting day, all locations will receive a pre-counted number of ballots, bundled in packs of 100. The location supervisor secures the ballots and each bundle that is handed out will be written down and initiated by the registrar. When the polls close, each location will reconcile the numbers and produce a report. Each voter deposits his/her voted ballot into a locked ballot box. These boxes will be sealed at each location and delivered to a designated tabulation location where authorized personnel will have the key and open the boxes for secure tabulation.

3. In accordance with the Democratic Party's requirement to assess and improve participation with respect to presidential preference and the delegate selection process, the North Dakota Democratic-NPL has - with this document - crafted a comprehensive plan that encourages District Building, as well as incentivizes party participation in both our Party-Run Primary and our State Party Convention, where delegates to the Democratic National Convention will be selected. *(Rule 2.1 and 2.1.1)*
 - a. Expand access to voting, including by early voting, no excuse absentee voting, same-day voter registration, drop boxes and voting by mail; *(Rule 2.1.1.a)*

Furthermore, the North Dakota Democratic-NPL will be advertising the dates, times, and location, as well as the option to vote by mail for the Party-Run Primary as to encourage maximum participation. To protect the inherent right of every eligible North Dakotan voter to make their voices heard, should they choose to participate in our caucus, each polling location will be staffed with volunteers and vendor employees - who will be provided with a regularly updated master list of eligible voters - to ensure that no individual casting a ballot is subject to intimidation or attempts to suppress their vote.

To guarantee the right of all North Dakotans who wish to participate in the process, the Democratic-NPL will be selecting locations that are accessible for persons with disabilities, in addition to our vote-by-mail initiative, as well as the recruitment of volunteers to our voter protection hotline to assist individuals who may have limited English proficiency. These measures will be advertised throughout the state; (*Rule 2.K.9*)

D. Scheduling of Delegate Selection Meetings

The dates, times and places for all official Party meetings and events related to the state's delegate selection process must be scheduled to encourage the participation of all Democrats. Such meetings must begin and end at reasonable hours. (*Rule 3.A & Reg. 4.*)

Section II

Presidential Candidates

A. Ballot Access

A presidential candidate gains access to the North Dakota presidential preference ballot, and is eligible to participate in the State's Party-Run Primary, by submitting their name to the North Dakota State Democratic-NPL Chair via e-mail (caucus@demnpl.com) by Friday, January 5, 2024 along with a filing fee of \$2,500 payable to the North Dakota Democratic-NPL and can be sent to ND Democratic-NPL, PO Box 9946, Fargo ND, 58106.

B. Other Requirements

1. Each presidential candidate shall certify in writing to the State Democratic Chair, the name(s) of their authorized representative(s) by Friday, January 5th, 2024. (*Rule 13.D.1*)
2. Each presidential candidate (including uncommitted status) shall use their best efforts to ensure that their respective delegation within the state delegation achieves the affirmative action, outreach and inclusion goals established by this Plan and is equally divided between men and women. (*Rule 6.I*)

Section III

Selection of Delegates and Alternates

A. District-Level Delegates and Alternates

1. North Dakota is allocated 8 district-level delegates.
2. District-level delegates and alternates shall be elected by a State Party Convention

- a. Following District Conventions, which will occur between Feb 12th, 2024 and March 22, 2024 and the April 6th Party-Run Primary, a meeting of State Convention Delegates and nominees for district-level DNC Delegate and Alternates shall be convened April 12th - 14th 2024 in TBD, North Dakota for the purpose of holding the 2024 North Dakota Democratic-NPL Convention. In relevance to this document, on the final day of the State Convention an election will take place to determine the final slate of Delegates to the Democratic National Convention. Applicants for district-level delegate and alternates will be placed on slates corresponding to their presidential preference, assuming their candidate obtains the necessary 15% threshold. Each slate will then be voted on by the entirety of State Party Convention Delegates until a total 8 district-level delegates and 2 alternates are selected by majority vote.

*For example: Let's say that 4 candidates meet the 15% threshold in North Dakota. Every applicant for district-level delegate for those 4 candidates, who are approved by the Presidential Candidates, are listed on slates (so 4 slates of applicants in total). Every delegate to the State Convention is given a "ballot" for each slate (4 ballots total). Candidate A will get 3 delegates based on their percentage of the vote, so state convention delegates will check their Top 3. The 3 applicants with the most checkmarks win.
And so on and so forth for Candidate B, C and D's slate.

- b. The State Party Convention dates, time and location will be widely disseminated and publicized throughout the state, by use of the official Democratic-NPL website (www.demnpl.com), e-mail, social media, and statewide media outlets including newspaper, radio and local television. As the State Party Convention is a well-known annual event, the North Dakota Democratic-NPL feels this will create a boost in both participation, attendance and excitement during the entire process of expressing a presidential preference.

3. Apportionment of District-Level Delegates and Alternates

- a. State's district-level delegates and alternates are apportioned among the districts based on a formula giving equal weight to the vote for the Democratic candidates in the 2024 presidential and the most recent gubernatorial elections. (*Rule 8.A, Reg. 4.12, Reg. 4.11 & Appendix A*)

North Dakota 2024 Delegate Selection Plan

- b. The number of men and the number of women in the state’s total number of district-level delegates and alternates will not vary by more than one. (*Rule 6.C.1 & Reg. 4.9*)
- c. The district-level delegates and alternates are apportioned to districts as indicated in the following table, assuming no gender non-binary delegates or alternates.

District	Delegates	Delegates	Delegates	Alternates	Alternates	Alternates
Gender	Male	Female	Total	Male	Female	Total
District	4-5	4-5	9	1	1	
Total	4-5	4-5	9	1	1	2

**(Assuming no gender non-binary delegates are elected.)*

4. District-Level Delegate and Alternate Filing Requirements

- a. A district-level delegate and alternate candidate may run for election only within the district in which they are registered to vote. North Dakota does not require voter registration. An affidavit pledging support for Democrats will be required to submit for delegate candidates. (*Rule 13.H*)
- b. An individual can qualify as a candidate for district-level delegate or alternate to the 2024 Democratic National Convention by filing a statement of candidacy designating their singular presidential (or uncommitted) preference and a signed pledge of support for the presidential candidate (including uncommitted status) with the State Party by **April 6th, 2024**. A delegate or alternate candidate may modify their singular presidential preference by submitting an updated pledge of support no later than the filing deadline. The Statement of Candidacy Form will be available on January 5th, 2024 and may be requested in writing by emailing the North Dakota Democratic-NPL at caucus@demnpl.com or in person at the North Dakota Democratic-NPL office located at 1325 23rd Street South, Fargo ND, 58103. (*Rule 13.B, Rule 15.F & Reg. 4.22*)
- c. All candidates considered for district-level alternate positions must meet the same requirements as candidates for district-level delegate positions (*Rule 13.C*)

North Dakota 2024 Delegate Selection Plan

5. Presidential Candidate Right of Review for District-Level Delegates and Alternates
 - a. The State Democratic Chair shall convey to the presidential candidate, or that candidate's authorized representative(s), not later than **5:00 PM on April 6th, 2024** a list of all persons who have filed for delegate or alternate pledged to that presidential candidate. (*Rule 13.D & Rule 13.F*)
 - b. Each presidential candidate, or that candidate's authorized representative(s), must then file with the State Democratic Chair by 5:00 PM on **Friday April 12th, 2024**, a list of all such candidates they have approved, provided that approval be given to at least three (3) separate individuals for each position for delegate and three (3) separate individuals for each alternate position to be selected. (*Rule 13.E.1, Reg. 4.23 & Reg. 4.24*)
 - c. Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the State Democratic Chair not later than 5:00 PM on **Friday April 12th, 2024**,
 - d. National convention delegates and alternate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate's authorized representative(s), may not be elected as a delegate or alternate at that level pledged to that presidential candidate. (*Rule 13.E & Reg. 4.23*)
 - e. The State Democratic Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate has used their best efforts to ensure that their respective district-level delegate candidates and district-level alternate candidates meet the affirmative action and outreach and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved district-level delegate candidates and district-level alternate candidates as indicated in Section III.A.5.b of this Plan. (*Rule 6.I & Reg.4.10.C*)
6. Fair Reflection of Presidential Preference
 - a. Caucus/Convention Proportional Representation Plan (*Rule 14.A, Rule 14.B & Rule 14.D*)
 - a. The State presidential primary election is a "binding" primary. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential (or uncommitted) preference of the primary voters in each district. The National Convention delegates and alternates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates.

North Dakota 2024 Delegate Selection Plan

- b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be half the percentage of the vote received in that district by the front-runner. *(Rule 14.F)*
 - c. Delegates and Alternates will be selected during our State Convention which is slated to occur on April 12-14th in Fargo, North Dakota. Any credentialed State Convention Delegate will be eligible to vote for Delegates and Alternates. The voting method will follow Roberts Rules of order and the rules set by the Convention Rules Committee. Filing a Statement of Candidacy to be a delegate or alternate must be received by the North Dakota Democratic-NPL by email, caucus@demnpl.com or in person at the North Dakota Democratic-NPL office located at 1325 23rd Street South, Fargo ND, 58103. All delegate and alternate candidates will require nomination by a State Convention Delegate.
7. Equal Division of District-Level Delegates and Alternates
- a. To ensure the district-level binary-gendered delegates are equally divided between men and women (determined by gender self-identification) the gender of the first binary delegate elected in each district will be designated. At the time of election of delegates in the district, the binary gender advantage will alternate as delegate positions are filled and the alternation shall continue across presidential preferences in order of vote-getting preference. In the case of non-binary gender delegates, they shall not be counted in either the male or female category, but do count towards the total delegate allotment. *(Rule 6.C., Rule 6.C.1 & Reg. 4.10)*
 - b. After the delegates are selected, the alternates will be awarded, using the same process described above.
8. The State Democratic Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state's district-level delegates and alternates to the Democratic National Convention within ten (10) days after their election. *(Rule 8.C & Call IV.A)*

B. Automatic Delegates

1. Automatic Party Leaders and Elected Officials
 - a. The following categories (if applicable) shall constitute the Automatic Party Leaders and Elected Official delegate positions:

 - c. The certification process for the Automatic Party Leader and Elected Official delegates is as follows:
 - (1) Not later than March 6, 2024, the Secretary of the Democratic National Committee shall officially confirm to the State Democratic Chair the names of the Automatic delegates who legally reside in State. (*Rule 9.A*)

- d. The Affirmative Action Committee shall be responsible for:
 - (1) Helping develop and design the proposed Affirmative Action Plan and Outreach and Inclusion Program and making recommendations to the State Democratic Chair. *(Rule 6.F)*

North Dakota 2024 Delegate Selection Plan

- (2) Directing the implementation of all requirements of the Affirmative Action Plan and Outreach and Inclusion Program section of this Plan.
 - (3) Implementing a specific outreach and financial assistance program for persons of low and moderate income to encourage their participation and representation in the national convention delegation. *(Rule 6.G)*
 - (4) Ensuring, on behalf of the State Party Committee, that district lines used in the delegate selection process are not gerrymandered to discriminate against African Americans, Hispanics, Native Americans, Asian Americans and Pacific Islanders and women. *(Rule 6.E)*
- e. Financial and staff support for the Affirmative Action Committee shall be provided by the State Party Committee to the greatest extent feasible, including, but not limited to, making the State Party staff and volunteers available on a priority basis and covering all reasonable costs incurred in carrying out this Plan.
3. Implementation of the Affirmative Action Plan and Outreach and Inclusion Program shall begin on **August 1st, 2024** with the distribution of the press kits, and will continue through the end of the delegate selection process. *(Rule 1.F)*

B. Representation Goals

1. In cooperation with the National Committee, the State Party has determined the demographic composition of African Americans, Hispanics, Native Americans, and Asian Americans and Pacific Islanders in the state's Democratic electorate. These constituency percentages shall be established as goals for representation in the state's convention delegation. *(Rule 6.A)*
2. In cooperation with the National Committee, the State Party has determined the demographic composition of members of the LGBTQ+ community, people with disabilities, and youth in the state's Democratic electorate. The State Party has chosen to establish these percentages as goals for representation in the state's convention delegation. *(Rule 7 & Reg. 4.8.C.iii)*
3. The Youth demographic composition is based upon 2017 and 2018 Census estimates of North Dakotans aged 15-34. There are approximately 258,344 North Dakotans within this age bracket, out of a total estimated population of 755,393, equaling 34.2P.
4. The North Dakota Democratic-NPL's demographic compositions of Native Americans (5.7%), African Americans (1.8 %), Hispanics (2.0%), and Asian Americans and Pacific Islanders (1.0%) residing in North Dakota are taken directly from census data estimates.
5. The Disabilities demographic composition is realized, taking into consideration that there are numerous definitions of the term "disability". Disability population study numbers for North Dakota range from as little as 2 to 3 percent upwards of 14

North Dakota 2024 Delegate Selection Plan

percent depending on the definition. Due to the wide-range of variables, the North Dakota Democratic-NPL has set an estimate of 13.0% with a representation number of 2 for any percentage greater than 7.0%.

6. Due to a lack of Census data concerning the LGBTQ+ population, the demographic composition for LGBTQ+ individuals residing in North Dakota is not based on any known survey or estimate. The Williams Institute at the UCLA School of Law, in an April of 2011 report, estimated that the national LGBTQ+ population is roughly 3.8%. A Gallup poll from 2013 places an estimate of 1.7% of LGBTQ+ residents in North Dakota. The North Dakota Data Center has indicated that it would be reasonable to use a number anywhere between 1.7% and 5.6%, taking into consideration that urban areas tend to have a higher density of LGBTQ+ individuals than rural, and that LGBTQ+ status is likely under-reported in surveys. For the purpose of affixing a realized number, the North Dakota Democratic-NPL has chosen to use 2.5% as its estimate, because it is less than the estimated national average of 3.8% and more than the 1.7% state estimate (while factoring in under-reporting as a consideration). The North Dakota Democratic-NPL also notes, too, that the number of LGBTQ+ Delegates would be "2" for any percentage 7.0 or greater%.

	African Americans	Hispanics	Native Americans	Asian Americans and Pacific Islanders	LGBTQ+ Americans	People with Disabilities	Youth
Percent in Democratic Electorate	3.0	4.0	7.0	1.0	7	13	34.2
Numeric Goals for Delegates	1	1	2	21	2	2	7

7. When selecting the at-large portion of the delegation, the demographic composition of the other delegates (district-level, pledged PLEO, and Automatic) shall be compared with the State Party's representation goals to achieve an at-large selection process that helps to bring about a representative balance. *(Rule 11.A)*
8. Although the selection of the at-large delegation may be used to fulfill the affirmative action goals established by this Plan, the State Party will conduct outreach and inclusion activities such as recruitment, education and training at all levels of the delegate selection process. *(Rule 6.A.3)*

C. Efforts to Educate on the Delegate Selection Process

1. Well-publicized educational workshops will be conducted in each of the delegate districts beginning on September 1, 2023. These workshops will be designed to encourage participation in the delegate selection process, including apprising potential delegate and alternate candidates of the availability of financial assistance. These workshops will be held in places that are easily accessible to persons with

North Dakota 2024 Delegate Selection Plan

disabilities. The times, dates, places and rules for the conduct of all education workshops, meetings and other events involved in the delegate selection process shall be effectively publicized by the party organization and include mailings to various organizations representative of the Democratic voting electorate. (*Rule 3.A, Rule 3.C & Rule 3.D*)

2. A speaker bureau of volunteers from the State Party, including the Affirmative Action Committee, shall be comprised of individuals who are fully familiar with the process and will be available to appear before groups, as needed, to provide information concerning the process.
3. The State Party's education efforts will include outreach to community leaders within the Democratic Party's constituencies and ensuring that information about the delegate selection process is available to Democratic clubs and Party caucuses representing specific constituencies.
4. The State Party will publish, and make available at no cost, a clear and concise explanation of how Democratic voters can participate in the delegate selection process. As well, the State Party shall also make available copies of the State Party Rules, the Delegate Selection Plan (and its attachments), the Affirmative Action Plan and Outreach and Inclusion Program, and relevant state statutes at no cost. Copies of documents related to the state's delegate selection process will be prepared and the State Party and Affirmative Action Committee will distribute them in the various delegate districts not later than **September 1st, 2023**(*Rule 1.H*)
5. Participation in the delegate selection process shall be open to all voters who wish to participate as Democrats. Democratic voters shall be those persons who publicly declare their Party preference and have that preference publicly recorded. (*Rule 2.A*)
6. The State Party shall take all feasible steps to encourage non-affiliated voters and new voters to register or enroll, to provide simple procedures through which they may do so and to eliminate excessively long waiting periods for voters who wish to register or to change their party enrollment status. (*Rule 2.C*)
7. The Affirmative Action Committee will develop a State Party strategy to be implemented beginning **September 1st, 2023** that will provide education programs directly to voters who continue to experience confusing timelines for voter registration and deadlines for changing party affiliation, or who are unaware of the process for running for delegate, so that all Democratic voters understand the rules and timelines and their impact on voter participation. (*Rule 4.B.5*)

D. Efforts to Publicize the Delegate Selection Process

1. The State Party shall direct special attention to publicizing the delegate selection process in the state. Such publicity shall include information on eligibility to vote and how to become a candidate for delegate, the time and location of each stage of the delegate selection process, and where to get additional information. The foregoing information will also be published in the State Party communications and on the State

North Dakota 2024 Delegate Selection Plan

Party's website. The Party organization, official, candidate, or member calling a meeting or scheduling an event, shall effectively publicize the role that such meeting or event plays in the selection of delegates and alternates to the Democratic National Convention. (*Rule 3.C & Rule 3.D*)

2. The State Party shall have a Delegate Selection Media Plan (**see Attachment 2.i**) for using all available and appropriate resources, such as social media, websites, newspapers, radio and television, to inform the general public how, when and where to participate in the delegate selection process. Specifically, the Delegate Selection Media Plan will provide details as to how to qualify to run as a delegate candidate. Regular updates should be posted/released throughout the state's delegate selection process to ensure broad and timely coverage and awareness about the process to all interested persons. (*Rule 4.B.3 & Rule 6.D*)
3. A priority effort, as described in the Delegate Selection Media Plan, shall be directed at publicity among the Democratic Party's constituencies.
 - a. Information about the delegate selection process will be posted on and made available to social and specialty media directed toward the Democratic constituency groups set forth in the introduction of this Affirmative Action Plan and Outreach and Inclusion Program.
 - b. The State Party shall be responsible for the implementation of this publicity effort. For purposes of providing adequate notice of the delegate selection process, the times, dates, places and rules for the conduct 2024 Democratic-NPL Convention as well as the Policy and Executive Committee meetings shall be effectively publicized to encourage the participation of minority groups. Parties will make a good faith effort to publicize this information in an accessible manner and multilingually where necessary. (*Rule 6.D*)
4. Not later than **March 22nd, 2023**, the State Party will make information about the delegate selection process available on its website and publicize the resource through press releases and communications to Party leaders, activists and targeted constituencies. Information to be posted on the website will include:
 - a. Materials designed to encourage participation and inform prospective delegate candidates;
 - b. A summary explaining the role of the 2024 Convention in nominating the Party's Presidential and Vice-Presidential candidates and adopting the National Platform;
 - c. A summary of the State Party's delegate selection process including all pertinent rules, dates, and filing requirements related to the process;
 - d. A map of delegate districts and how many delegates will be elected within each district, along with filing forms or information on how to obtain the filing forms.

E. Obligations of Presidential Candidates to Maximize Participation

1. Presidential candidates shall assist the State Democratic Party in meeting the demographic representation goals reflected in the Affirmative Action Plan and Outreach and Inclusion Program. *(Rule 6.H)*
2. Each presidential candidate must submit a written statement to the State Democratic Chair by 5:00pm December 8th, 2023 which indicates the specific steps they will take to encourage full participation by their supporters in North Dakota's delegate selection process, including, but not limited to, procedures by which persons may file as candidates for delegate or alternate pledged to the presidential candidate. *(Rule 6.H.1)*
3. Each presidential candidate must submit demographic information with respect to all candidates for delegate and alternate pledged to them. Such information shall be submitted in conjunction with the list of names approved for consideration as delegate and alternate candidates pledged to the presidential candidate. *(Rule 6.H.2)*
4. Presidential candidates shall use their best effort to ensure that their respective delegates, alternates and standing committee members shall achieve the affirmative action goals reflected in the Affirmative Action Plan and Outreach and Inclusion Program and that the number of men and the number of women in their respective delegations shall not differ by more than one (as determined by gender self-identification). Furthermore, presidential candidates shall use their best efforts at the district level to approve delegate, alternate, and standing committee candidates who meet applicable equal division and affirmative action considerations to promote and achieve the state's affirmative action, outreach and inclusion goals and equal division for their respective delegations. *(Rule 6.C., Rule 6.I & Reg. 4.10)*

F. Outreach and Inclusion Program

1. The State Democratic Party is committed to help achieve full participation of those groups of Americans who have historically been explicitly denied the right to vote or who have been subjected to discriminatory and exclusionary practices that have denied them voting rights and full participation in the delegate selection process and other Party meetings, events and elections, along with other groups of Americans who are also underrepresented in Party affairs.
2. As such, the State Democratic Party has developed outreach and inclusion programs and is committed to fully implementing the programs so that all persons who wish to participate as Democrats understand they are welcome and encouraged to be a part of the delegate selection process and in the Party at the local, state and national levels.
3. The State Party will make accommodations to facilitate greater participation by people with disabilities, including but not limited to encouraging a robust vote-by-mail program, and providing accessible locations for people with disabilities, as to ensure maximum opportunity for participation at all levels of Party affairs.

North Dakota 2024 Delegate Selection Plan

4. In addition to the education, publicity and other steps described above, the State Party will take increased steps in our outreach program and through the Affirmative Action Plan to promote activism on behalf of all marginalized and at-risk groups, inclusivity in all levels of the Democratic-NPL and boost outreach year-round.
